NOTICE OF PENDING MOTIONS

In light of the Court's order vacating the 25 March 2024 Final Judgment and setting a briefing schedule for the Government's Motion to Dismiss, Plaintiff respectfully draws the Court's attention to his motion to unseal (ECF No. 38) and motion to authorize (ECF No. 42), which were denied as moot on 25 March 2024 due to the dismissal of the case. Now that the order to dismiss has been vacated by the Court of Appeals, those motions are no longer moot and are ripe for adjudication, and Plaintiff requests that the Court adjudicate them so that, if one or both are granted, he can incorporate any new information made available to his undersigned counsel as a result into his Opposition.

Date: February 14, 2025

Respectfully submitted,
